Submission Guidelines

"Spooo Presents" is an anthology series focusing on anthropomorphic adult Laborated Ideally, submissions will be part of a serial spanning multiple issues. Full 32 pages books are preferred.

Originally designed as a way to get multiple books distributed through major comics distribution companies, "Spood Presents" prides itself on using only the best artists and writers available. Editors require a professional presentation of work, an adherence to guidelines, and an ability to meet deadlines. Professional work nets professional results.

Themes: While stories to date have mostly contained male homosexual situations all relationships are welcome. This includes heterosexual, lesbian, bisexual, and transgendered characters. All stories should be adult in nature. Extreme violence and depictions of gore are not acceptable. "Spooo Presents" strictly prints comics containing anthropomorphic characters. Humans and fantasy characters are acceptable but should not be the overwhelming content of stories. Stories containing transformation and "funny animal" styles are acceptable.

English translations of existing comics are welcome but must be done with the explicit permission of the original artist. Parody material containing copyrighted characters is not acceptable. Submissions may not contain any copyrighted characters of third parties without express written permission included with the submission.

Artists and Authors: We will not match artists with authors and vice versa. Stories must have never been published before in any medium (including posted to the internet) and remain exclusive to "Spooo Presents."

Scripts and Dialog: We use the Gregg Reference Manual to resolve issues of style and grammar. While dialog may not fit into standard grammatical usage, the editors reserve the right to correct misuse of grammar and spelling.

How to Start: Contact editor@spooo.com first. New submissions should contain, at minimum, character sheets of all major characters (color optional), a fully written script, and rough layouts of the comic.

Technical Details: We use a standard comic book page ratio of 6.625" x 10.250" and suggest the use of Blue Line Comic Pages (available at Rabbit Valley® Comics). Traditionally drawn pages can be submitted for scanning by the publisher. Digital submissions are also welcome. Files must be at least 300DPI and presented in a lossless file format like Adobe Photoshop, TIFF, or Adobe Illustrator format. JPEG, PNG, and GIF files are unacceptable. Files must be in Greyscale or CMYK format. Stories of 16 pages or more should be prepared to provide a full color cover.
